"Rafferty," said Mr. Dolan, "was

"Many a time."

"I was. The way I kept shovin'

same old tricks has kept me marvelin'

HARDING SWORN IN AS NATION'S CHIEF

INAUGURAL CEREMONIES ARE DE
SCRIBED AS BEING IMPRES
SIVELY SIMPLE

SCENE WITNESSED BY MANY

After Being Himself Sworn In, Calvin
Coolidge Administers Oath To
Newly-Elected Senators

Washington.—Warren Gamaliel Har
ding was inaugurated president of the
United States March 4 with cere
monies as simple as those the historians
have described in chronicling the in
duction into office of George Wash
ington more than a century ago.

President Warren G. Harding

Had Mr. Harding's personal wishes
been adhered to strictly, the cere
monies would have been even more
simple, but the congressional inaugu
ral committee made some arrange
ments on its own account. These in
cluded a cavalry escort of four troops for
the president in his ride from his hotel
to the capitol and thence to the white
house.

The very simplicity of the cere
monies on the east portico of the capitol
added to their impressiveness. Sim
ple and impressive also were those in
the senate chamber, where Calvin
Coolidge was sworn in by Vice Pres
ident Marshall and where Mr. Coolidge
in turn swore into office the next sen
ators elected last November.

The day's ceremonies began with
formal calls on the president-elect and
vice president-elect at the New Wil
lard hotel by the congressional com
mittee, headed by Senator Knox of
Pennsylvania. Leaving the hotel, the
presidential party proceeded to the
white house, where President Wilson
entered the automobile occupied by the
president-elect. Mrs. Wilson joined
Mrs. Harding in another automobile,
and the trip to the capitol was then
started.

Vice President Marshall and Vice
President-elect Coolidge occupied the
second automobile in the procession,
while Mrs. Marshall and Mrs. Coolidge
rode in another car with some mem
bers of the congressional committee.
Other members of the committee rode
with the president and president-elect
and with Mr. Marshall and Mr. Cool
idge.

Pennsylvania avenue from the white
house to the capitol was crowded with
homefolks and visitors anxious for a
glimpse of the new and retiring pres
idents. There were no reviewing
stands and most of the spectators were
forced to stand along the sidewalks.
The more fortunate had seats in win
dows facing the avenue.

President-elect Harding, escorted by
the committee on arrangements, en
tered the senate chamber at the main
door and was escorted to the seat on
the floor on the right hand side of the
main aisle and facing the rostrum.
Vice President Coolidge was escorted
to a seat on the platform. The sen
ate chaplain, the Rev. J. J. Muir, of
ficed prayer and the senate of the
Sixty-seventh congress was called to
order by Vice President Marshall. As
silence settled over the chamber, Vice
President Coolidge stood beside Mr.
Marshall. Both men raised their right
hands, Mr. Marshall slowly spoke the
vice president's oath, the new vice
president repeated the words and then
delivered the address.

Dam Amendment Fails in Passage
Washington.—The sundry civil bill
carrying approximately three hundred
and eighty-three million dollars was
accepted by the house in the closing
session after the senate had struck
out its provision for a ten million
dollar appropriation to continue work
at Muscle Shoals, Ala., and was sent
to the president. This is the second
time the house refused to concur in
the senate amendment to the sundry
civil appropriation bill carrying ten
million dollars for work near the Mus
cle Shoals nitrate plant.

Coolidge Is Known As "Silent Cal"
Washington.—Calvin Coolidge is the
first Massachusetts man to hold the
office of vice president since Henry
Wilson served in the second Grant ad
ministration nearly half a century ago.
His advent into office adds to the
prominence of the state of Massachu
setts. He is a graduate of Amherst
college, where he was known as "Sil
ent Cal," because of his studious na
ture. He is entering upon his first
service in the field of national politics,
but for twenty years has been active
in state politics.

HELP THAT AGING BACK!

Is your back giving out? Are you
tortured with backache and stiffening

"all played out"? Feel you just can't

to blame. Overwork, cold, hurry and

Backache is often the first warning.
Headache and dizziness may come, too,
and annoying kidney irregularities. Help

CASH AND CARRY SYSTEM POPULAR

PLAN FOR GETTING BUSINESS
ON CASH BASIS IS BEING
PUSHED IN ORANGEBURG.

SUPPOSED EMBEZZLER CAUGHT

Painful Injuries Result to Young Man
Who is Accidentally Shot by Friend
While Out Hunting.

Orangeburg.—The cash and carry
stores are becoming popular in
Orangeburg, three having been in
stalled lately. They are all going well
and the people seem to like the idea.
A piggy wiggy store for Orange
burg is talked here and a location has
been secured. The matter of getting
business upon a cash basis is being
pushed strongly in Orangeburg.

G. W. Land, former business man
ager of Palmetto Business college in
this city, was brought back to Orange
burg by Sheriff R. F. Dukes from
Quincy, Fla., where he had been ar
rested upon request from the Orange
burg officers. It is alleged that Land
collected \$1,500 from former students
of this college and left with the
money, and with the salary of some
of the teachers of the school. Land
denies the charge, stating that offi
cers of the school at Varnville acted
as treasurer and he had nothing to do
with the money. However, he is will
ing to make good the money.

L. O. Berry of the East End Drug
company was painfully injured as a
result of wounds inflicted by shot
from a gun fired by Hugh Kennedy.
It seems that the two young men
were out hunting and Kennedy shot
at a rabbit, and some of the shot ac
cidentally struck Dr. Berry.

Florence.—It was stated that A. L.
King, who has recently moved to
Florence from Charleston where he
had been practicing law had been re
tained as counsel for M. M. Bigham,
who is in the Florence county jail
awaiting trial on the charge of the
murder of Mrs. M. M. Bigham, his
mother, Mrs. Margie A. Black, and L.
S. Bigham, a sister and a brother and
the two adopted children of Mrs.
Black, Leo and John McCracken. It
will be recalled that the tragedy oc
curred at the Bigham home near
Pamlico Jan. 15. The coroner's jury
after an investigation extending over
more than a week, concluded it had
sufficient evidence to hold Edmund
Bigham in connection with the crime.

Anderson.—The Clemson Alumni
association will hold a banquet here
March 11 at Anderson college. At a
meeting of the alumni association of
Anderson county it was decided that
the new coach, "Dock" Stewart, be
one of the speakers, and that they
would also have a speech from D. F.
Folger's '15, secretary of Clemson
College Alumni association.

Clemson College.—The farmers and
business men of Hodges, Greenwood
and business men of Hodges, Green
wood county, will hold a sweet potato
school Friday, March 11, under the
auspices of the extension service of
Clemson college and the South Car
olina Sweet Potato association. This
school will be entirely educational.

St. Matthews.—Richard "Feetle"
Fogle, negro, who shot and killed
Earle Wadford, a white farmer, at
Lone Star, Calhoun county, on the
night of January 12, was convicted of
first degree murder here and was
sentenced by Judge S. W. G. Shipp to
die in the electric chair at the state
penitentiary March 25.

Columbia.—The house of represen
tatives killed a concurrent resolution
offered by Representative Albert
Whitney Todd of Charleston, to grant
each member of the general assembly
\$100 additional pay with per diem
and mileage expenses for every day
in excess of the customary 40 days
session.

Two Negroes to Die.
St. Matthews.—Harvey Whaley, ne
gro was convicted by a jury here on
the charge of being an accessory to
the murder of Earle Wadford, a white
man, near Lone Star in Calhoun coun
ty, January 12, and was sentenced by
Judge S. W. G. Shipp to die in the
electric chair April 8.

Richard (Feetle) Fogle, another
negro, was convicted for the killing
of Mr. Wadford and was sentenced
to die in the electric chair March 25.
The case of Fogle is reported else
where.

Denby has Home in Beaufort.
Beaufort.—Beaufort friends of Maj.
Edwin Denby were most agreeably
surprised to learn of his appointment
as secretary of the navy. Major Den
by left his seat in congress in 1917 to
enlist as a private in the United
States marine corps. He was sent to
Parris Island.

During the time that he was in
training at Parris Island, he and Mrs.
Denby and their two children resided
in Beaufort, and before they left, Maj
Denby purchased a winter home
here overlooking Beaufort bay.

Esteem for President Riggs.
Clemson College.—The burdens and
cares that hang about the presiden
tial chair of a college have been light
ened for President W. M. Riggs. Begin
ning at chapel exercises he has received
tokens and telegrams in recognition
of his 25 years of constructive service
at Clemson college. At chapel G. G.
Gilmer, representing the cadets, pre
sented to Dr. Riggs a handsome silver
vase, inscribed "1896-1921. To W. M.
Riggs, president an appreciation of
25 years service, from the corps of
cadets Clemson Agricultural college."
